Re: Court Conference Scheduled for May 2, 2008 in *jWIN Electronics Corp. v. iCube Corp. et al.*, 07-cv-9459 (AKH)

Dear Judge Hellerstein:

We represent petitioner jWIN Electronics Corporation ("jWIN") in the above-captioned proceedings. We write to request cancellation of the hearing scheduled on May 2, 2008 in light of jWIN's Renewed Application for Certificate of Default, electronically filed on April 30, 2008. Specifically, this letter is being sent pursuant to the court's docket order, which states, "If motions for default judgments are made, counsel shall request cancellation of this [May 2, 2008] conference."

In the event that the Court chooses to deny this request, we request, in the alternative, the Court's permission to attend the May 2 hearing via teleconference using the following toll-free telephone number:

Toll Free Access Number: (877) 339-0018  
Meeting Number: \*4391477\*

Finally, we note that none of the defendants have filed responses to the complaints that were served on them on October 4, 2007 and January 25, 2008. See Docket Items 4, 6-7. A request for an entry of default against defendant iCube America Corp. has been pending since December 17, 2007. See Docket Item 5.

Please contact me in my office at (415) 439-1477 if you have any questions.
